Details regarding Kids Klub and fees.

At the present time Kids Klub run clubs at Bradley Stoke and Thornbury.

Kids Klub provides a reliable quality childcare service for working parents throughout the year . We are registered with OFSTED and this means that the premises are checked and the majority of our staff are qualified, and the Playleader has extra experience and qualifications.

We are also limited to the number of children we can take in any one club.

Children are able to have fun and there are many activities on offer, including crafts, sports, drama, music and computers.

At the After School Club, we have a drink, biscuits or fruit, we also have a tuck shop run by the children which offers crisps (crisps 20p, please speak to the Playleaders regarding the system for payment).

If you feel that your child/ren might wish for a more substantial meal, please do not hesitate to provide sandwiches ETC, it does depend on your child/rens arrangement for an evening meal.

At the holiday club, we have lunch at 12 midday, and the children bring a packed lunch, with refreshments provided by Kids Klub mid morning and mid afternoon.

On Wednesdays during most of the holiday, we go on a trip to various places suitable for children, such as Slimbridge, The American Museum and The Zoo. The trips are in a coach that is fitted with seatbelts and the staff to child ratio is 1 to 5.

The charge for a trip is just £6 per child to cover the actual cost if the trip (Kids Klub pays for the extra staff for the trip).

Please do not hesitate to contact the manager Judith Hadley if you require any further details. Please complete the registration and booking form, and note the terms of payment for all the clubs and return the completed forms to Judith at :-
